CONSUMER INFORMATION

This range of Vitamin C helps to maintain a healthy immune system, healthy teeth, gums and skin. As the body cannot store Vitamin C a regular intake is required. At higher level Vitamin C may act as an anti-oxidant, protecting the body from the harmful effects of free radicals which, in excess, can cause cell damage.

STORE IN A COOL DRY PLACE. KEEP OUT OF REACH OF CHILDREN. DO NOT EXCEED THE STATED DOSE. DO NOT TAKE SUPPLEMENTS AS A SUBSTITUTE FOR A VARIED BALANCED DIET.

SUITABLE FOR VEGETARIANS
